

## Hello Fellow Lions...

OK y'all, get ready for a rocking December Market Days because the weather will be lovely this Saturday with temps in the 70's and no Northers blowing in!

**The theme** for this month is Christmas (surprise, surprise!) so don your ugly Christmas sweaters, Santa hats, holiday themed tees and elf ears and bring on the holiday spirit. We'll be decorating concession stands as well for a super festive and fun day.

Let any **Football fans** know that the game will be on TV at Hilltop Icehouse, next to Concession 4, AKA Hamburger Hill. We'll keep the volume down while the band is playing, but folks will be able to watch the Longhorns play OU in the Big 12 Championship. Kick-off at 11AM. Hook 'em Horns!

**Dog Owners need to do their "doo doo" diligence** since we now allow dogs at Wimberley Market Days. All dogs must be on a leash and dog owners must clean up after them when nature calls. To this end, we will have volunteers handing out doggie doo doo bags at entry gates to anyone who brings their dog into the market. All concession stands and info booths will have bags available to give to anyone that needs to pick up a "deposit" made by their pooch.

**Our Red Tag vendors** are offering 25-50% off on anything and everything good for gifts and holiday decorations. This is a good chance for them to clear out some old inventory at reduced prices so be sure to encourage shoppers to check them out. Red Tag Vendors are listed on the back of the monthly directory, which will be printed on green paper this month.

### **Concession specials:**

Concession 1 - Gumbo, Italian Beef Tacos, Asian Chicken Bowls, Pulled Pork Stuffed Potatoes

Concession 2 - BBQ Beef Sliders with Slaw

Concession 6 - Grape Cups

### **Live Music Lineup:**

That's all from me! See y'all Saturday!  
Market Day is 'round the corner here it comes!
